TKT-SYS-002 Open Critical

Assigned to **Admin**

Last updated: 2026-01-08 08:15

Issue Summary

Title

Unable to verify a file

Description

Hash verification module returning errors for all PDF documents uploaded after 2026-01-07 18:15. Error: 'ERR_NET_002'

Reported By

Multiple Users

System Details

Error Code

`ERR_NET_002`

Cryptographic Log Snippet

```
[Error] Key generation timeout after 30s
Class: crypto.generateKeyPairAsync()
Algorithm: ECDSA (secp256r1)
[Restart] 2026-01-08T12:00:12Z
```

Issue Summary

Title
Business permit data information shows incorrect expiry date

Description
The business permit document DOC-2026-001847 displays an expiry date of 2025-12-31 in the data information, but the actual permit visible content shows 2026-12-31. This discrepancy needs investigation.
